- 3. fantastical synonym

NOTE: You only receive the features that were available on your previous app For example: Fantastical 2 for Mac had calendar sets, but Fantastical for iPhone did not.. This is only available to existing Fantastical 2 customers You do not need to do anything special to receive these features, Fantastical will automatically detect your previous purchase and make these features available.. and you're back to what you were doing with a shiny new event in your calendar! Fantastical's natural-language engine is expressive and intelligent, so you can write in your own style.. I've upgraded from Fantastical 2 What happens to the features I paid for?All of your features from Fantastical 2 are automatically available and do not require a Fantastical Premium subscription.. app does this well enough, if not better
