English

I got this module to cover me for 2.5 hours of game time and it just barely managed it. Positives: It is pretty loosely designed and very easy to modify to meet your needs. Negatives: It features a 175 foot pirate ship - that will sail out and engage the party's ship with a crew of 5. I know it is a fantasy product, but that doesn't mean that I am willing to completely discard reality.
